

Preface

It gives me immense pleasure in submitting Annual Quality Assurance Report of Dnyanopasak Shikshan Mandal's Arts, Commerce and Science College, Jintur, Dist. Parbhani.

The college, covering a total area of 5 acres, was established in 1983 by Honorable Adv. Shri Ganeshraoji Dudhgaonkar, M.L.A. & Former Minister to provide the quality of education to rural tribal students, to tap the potential talent of the rural students and increase their standard of living and ultimately to be made useful for the intellectual, educational, political, social and economic advancement of the society.

It is an undergraduate college having 03 faculties with 16 departments catering to 441 students. There are 38 teachers with 14 Ph.D.s and 14 M.Phil.s, 05 teachers are recognized guides of Swami Ramanand Teerth Marathwada University, Nanded and are working in Research Centre at D.S.M.'s College of Arts, Commerce and Science, Parbhani of our institution.

As a Principal of this college, I feel that the ongoing academic activities will create favorable atmosphere which will enhance the quality of education in this backward area. The college has prepared a plan to achieve excellence in every discipline and NAAC has come as the felicitating instrument in achieving excellence, aims and objectives envisioned by this Institution.

Dr. S. L. Sadawarte

PRINCIPAL

**Dnyanopasak Shikshan Mandal's
ARTS, COMMERCE AND SCIENCE COLLEGE, JINTUR**

Mission and Goals of the Institution

PART - A

Plan of Action

The details of criterion-wise plan of action for the current year (2005-2006) is as follows :

- 1) To provide teaching plan to the faculty for effective implementation of the curriculum.
- 2) To contribute in design and development of curriculum prepared by the University.
- 3) To motivate the students to develop reading habits in order to create critical thinking, creativity and scientific temper.
- 4) To encourage the faculty to adopt new and innovative teaching approaches/methods.
- 5) To organize and conduct seminar to supplement teaching-learning process.
- 6) To motivate the faculty to participate in orientation and refresher courses, workshops and short-term courses.
- 7) To encourage the faculty to participate in national and international level conferences, seminars and workshops.
- 8) To organize study tours and visit to motivate the students.
- 9) To encourage the faculty to involve in research activities.
- 10) To promote the students and faculty to participate in extension activities through NS.S.
- 11) To organize annual gathering and encourage the students to participate in cultural activities.
- 12) To create environment consciousness among the students, teaching and non-teaching.
- 13) To review the performance appraisal of the staff.

PART - B

Q.1. Activities reflecting the goals and objectives of the institution. :

The activities reflecting the goals and objectives of the institution are as follows :

1. Planning and evaluation of teaching-learning process :

The annual teaching plan was provided to each faculty to plan and evaluate the teaching-learning process at micro level. it was useful for effective implementation of the curriculum.

2. Innovative approaches/methods in teaching-learning process:

The teachers are encouraged to adopt new / Innovative approaches / methods in teaching.

3. Efficient mechanism for self-appraisal to the teachers :

The teachers are asked to submit their self-appraisal reports to the IQAC at the end of the academic year. The IQAC maintain the record of these reports and gives suggestion to the concerned teachers to improve his / her academic performance.

4. Motivation to research culture and high academic standard :

The teachers are encouraged to involve in research activities like, publishing of research papers and articles regularly in research journals and books, guiding the research scholars. B. A., B. Com. and B. Sc. Third year students are encouraged to complete their project work. The examinations are conducted strictly without any malpractices.

5. Evaluation of academic performance of the students :

The academic performance of the students is evaluated on the basis of the marks obtained in the tests, assignments / tutorials, project work, internal and university examination. The academic performance is communicated to the students by providing them the mark-sheets of the university examination. The weak academic performance students are motivated by guidance extra coaching.

6. Organization of seminars to supplement teaching-learning process :

The students are motivated to participate in the classroom seminars and group discussions on the topic given related to the syllabus / curricula prescribed. The participation of students in the seminars and group discussions inculcate the inborn qualities among the students like stage courage, writing and communication skills etc. which supplement teaching-learning process.

7. Organization of lectures of eminent personalities from different disciplines :

The academic departments and various committees organize lectures of eminent personalities from different disciplines. The experienced knowledge and skill of eminent personalities from different disciplines is useful for personality development and creation of social responsibility among the students.

8. Organization of Science Exhibition and Science Festivals :

The various activities are organized by Science Forum established in the college. These activities are useful to create scientific attitude among the students.

9. Organization of Educational Tours and visits :

Some departments organize study tours and visits to eminent educational, institutions, research institutes, Industries and historical places to strengthen the teaching-learning and research.

10. Motivation of students to participate in elocution, debating and other competitions :

The students are motivated to participate in elocution, debating and essay writing competitions organized by Literary Association, Science, Social Science and Commerce forums and various committees.

11. Provision of opportunities to students to develop the innate qualities in them :

The opportunities are provided to students to develop the innate qualities in them through co-curricular and extra curricular activities. The academic

departments, associations, various forums and committees motivate students to participate in the activities conducted by them. NSS Camps and Annual Gathering are the best platforms for the students to develop the innate qualities in them.

12. Motivation to students to inculcate reading habit and critical aptitude :

The students are motivated by teachers to inculcate reading habit to create critical insight by providing library facility i.e. encyclopedias, reference books, journals, periodicals, multilingual literary work, general knowledge books and other reading material for competitive examinations.

13. Inculcation of discipline and ethical and moral value :

The college organizes guest lectures of eminent personalities from various fields / walks of life to imbibe and inculcate discipline and ethical and moral values among students through NSS activities.

14. Organization of social oriented activities :

The social oriented activities are organized through NSS to serve the community. Tree plantation, cleanliness, Art of living, district leadership development camp, pulse immunization program, blood donation, Poverty survey etc. are organized through NSS.

15. Persuasion and inculcation of social and democratic values :

The various activities and programs are organized to pursue and inculcate social and democratic values like patriotism, humanism, secularism and communal harmony for national integration.

16. Awareness of national and socio-economic problems :

The institution organizes the guest lectures of eminent personalities on national and socio-economic problems like population control, water literacy, environmental awareness, watershed management, superstitions, communal harmony for national integration, disaster management, health problems etc.

Q. 2. New academic programmes initiated (UG and PG) : NIL

Q. 3. Innovations in curricular design and transaction.

The curricular is, basically, designed by the Board of Studies of different subjects /departments at the University level and implemented by the affiliated colleges. The elected members of the Board of Studies /or invitee members of the syllabus committee of different subjects contribute to design the curricular. The following members of our college are elected / coopted / invited on the Board of Studies of Swami Ramanand Teerth Marathwada University, Nanded. :

1. Dr. S.M. Kadam : Poli.Sci.
2. Dr. U.S. Hanwate : History
3. Mr. S.M. Kolhe : Commerce

Q. 4. Inter- disciplinary programmees started. : NIL

Q. 5. Examination reform implemented:

The examination pattern made by University is implemented by the college. The annual pattern of 100 marks for theory examination at University level for all classes is implemented.

02 papers are presented in national level conference, 01 in regional level conference and 02 in State level Seminar.

Q. 8. Total number of seminars / workshops conducted : Nil

Q. 9. Research projects :

a) On going : Nil b) Completed : Nil

Q.10. Patents generated if any : Nil

Q.11. New Collaborative research programmes. : Nil

Q.12. Research grants received from various agencies : Nil

Q.13. Details of research scholars :

Some faculty members of our college are working as recognized Research Guides of Swami Ramanand Teerth Marathwada University, Nanded. The details of research scholars registered and working for M. Phil./ Ph. D. degree are as follows -

Sr. No.	Name of the Research Guide	Department	No. of Research Scholars registered during the current academic year		No. of Research Scholars awarded during the current academic year	
			M. Phil	Ph. D.	M. Phil	Ph. D.
1.	Dr. S.L. Sadawarte	Hindi	-	-	-	01
2.	Sr. M.S. Sable	Economics	-	-	-	01
3.	Dr. U.S. Hanwate	History	-	01	-	-
4.	Dr. P.M. Shinde	Sociology	-	01	-	-
	Total		-	02	-	02

Q. 14. Citation index of faculty members and impact factor.

Nil

Q.15. Honors /Awards to the faculty : National and International :

Dr. M.S. Sable, N.S.S. Programme Officer has been awarded as 'Best NSS Programme Officer' by the S.R.T.M. University, Nanded

Q.16 Internal resources generated :

The details of internal resources generated are as follows

Sr.No.	Details of internal resources generated	Amount of Funds collected
1	College Development Fund	5900/-
2	Identity Card fees	1475/-
3	College Exam. Fees	6300/-
	Total	13675/-

Q. 17. Details of departments getting assistance/ recognition under SAP, COSIST (ASSIST) DST, FIST, and other programmes . : NIL**Q. 18. Community services :**

The community service programs implemented by the College through NSS Unit for the social awareness are as follows -
