37. How many from the teaching staff have received national/international recognition as fellows, awardees etc.?

—

38. What percentage of the faculty are in active research (guiding research scholars, operating projects, publishing regularly, etc.)?

50%

39. List the major thrust areas within the subject in which research activities are being pursued.

A Nonlinear Mappings & Fixed Points in D-metric Spaces.
Research Area –Topology & Functional Analysis

26. Give details of ongoing projects funded by external agencies.

—

97. What are the basic and advanced facilities, available and (like botanical garden, field laboratories, animal house, computing facility, major equipment, mortuary, post mortem facilities experimental surgery and medicine facilities *etc.*) acquired over the years?

—

98. What is the total number of publications (add the list) of the department in the last five years?

—

99. Have any one of the teaching programmes been dropped because it lost its immediate relevance or because it was not viable?

—

100. What is the average work load in terms of actual contact lectures per week per teacher?

20 periods of 50 minutes per teacher per week

101. What is the average time spent by a teacher with students and how much time is spent on committees that deal with academic matters?

3 hours with students and 2 hours on committees.

102. Does the department monitor overall performance of students through regular assessments?

Yes No

If yes, give methods and details of assessment.

The overall performance of the students is assessed through unit tests, terminal examinations, seminars and group discussion.

103. How do the teachers update themselves for discharging their teaching/research responsibilities? Give details.

The teachers update themselves by participating in Orientation and Refresher courses, attending Seminars, Conferences and Workshops and referring journals, periodicals and reports.

104. What is the annual budget allocation of the college to the department?

Rs. 8000/-

105. How much of research funding has been generated by the teachers from other agencies?

—

106. Do the teachers offer consultancy services and earn revenue for the college/department?

Yes No

If yes, how much has been earned during the last two years?

30. Furnish the following details:
