## Students Welfare Policy

Dnyanopasak Shikshan Mandal Parbhani was established by Hon'ble Advocate Shri. Ganeshraoji Dudhgaonkar in 1983. The institution runs college at Jintur as "Arts, Commerce and Science College, Jintur". The sole objective of opening this college in Jintur was to provide quality education to the downtrodden classes, the region comprises Schedule and Nomadic tribes who are economically weaker sections of the society. The hilly region of Jintur taluka lacks industrial development, employment opportunity, education and educational facilities; the Taluka comprises arid land having no facilities for irrigation.

Upliftment of the rural students is the focal point of the institute; hence, the institution has undertaken a number of welfare schemes for them. Following are some of welfare schemes the college has undertaken:

1. To plan and execute novel welfare schemes for the students.
2. To inform students about various educational scholarships and help them to avail it. Independent co-ordinator is appointed for this task.
3. To address the day-to-day problems of the students as a mentor for 25 students or for the whole class is to be appointed. Mentor or mentee committee is to be formed to take guardianship of individual students.
4. To provide study material to students to prepare them for competitive examinations. Independent co-ordinator is to be appointed for the smooth running of this activity.
5. To provide hostel facility for students.
6. To provide bus facility (free of cost) for girl students.
7. Arrange various events for personality development.
8. To establish student welfare fund for economically weaker students to help them develop.
9. To plan and execute mid-day meal facility to college students taking financial aid from people from society and college staff.
10. To run earn and learn scheme as per availability of funds in the college.
11. To provide insurance facility for students as per University guidelines.
12. To provide special concession and help to specially abled students.
13. To plan and execute students adoption scheme.
